

PRESCRIPTION AND PHARMACY POLICY

- SeaCoast Cardiology Consultants, PLLC will only give a prescription or refills at the time of your visit. If your provider does not give you one, please ask before you leave the office. If you call our office because you did not get your prescription at the time of your visit, you will be asked to come in and there will be a charge.
- Refills will be written to last until your next visit. Please keep your appointments, if you do not, you will run out of medications and we will need to see you before refilling them.
- All prescriptions will be refilled at the same time.
- Bring all medications to each visit. This ensures that your provider will give you the best care possible, by knowing which medications you are taking. If you do not bring your medications, you will be rescheduled.
- We ask that you sign this medication agreement to be placed in your chart. This states that you agree to bring all of your medications to every visit for your safety and welfare. If you do not agree, you will be asked to find another provider.
- Phone calls or faxes from pharmacies to refill your prescriptions will NOT be accepted.

I agree I have received, read and understand the policy for Prescriptions & Refills. I **will be rescheduled** if I do **NOT** bring my medication bottles to each visit.

*If you have questions, please call the Practice Manager or Nurse @

POLICY ON NO-SHOW APPOINTMENTS

Our doctors are extremely busy with scheduled appointments that are booked weeks ahead. Recently we have experienced an increase in patients not keeping their scheduled appointments and not calling to cancel. If we have a cancellation on the doctor's schedule, we like to offer the time slot to a patient on our appointment waiting list. Without notice of cancellation, we are unable to do this. This also creates a gap in our schedule.

We have requested that all patients contact our office when they are unable to keep an appointment. We understand that emergencies happen. However, it has been our experience that most of the time, unkept appointments are not due to emergencies.

It is now our policy to charge \$50 for unkept appointments. To avoid this charge, patients who need to cancel their appointments must notify our office with 24-hours advanced notice. In addition, patients who have not shown three times will be automatically discharged from our practice. There will be no exceptions.

It is our goal to provide quality care for all our patients. Please do your part by respecting this cancellation policy.

Thank you.

POLICY ON CHILDREN IN THE OFFICE

Due to the nature of our practice and to respect all patients, it is our policy that children will not be allowed in our examination rooms. However, we do understand that there may be occasions where your child(ren) must accompany you to your appointments. If this occurs, we ask that you bring another adult who can sit with your child(ren) in our front waiting area. SCCC is aware that children at times are unable to sit still for long periods of time. We ask that you or the person that you choose to sit with your child(ren) will keep the noise level down in consideration of some of our patients that have moderate-severe cardiac problems. If you are unable to maintain a subtle level, we do ask that the child(ren) is/are taken outside that waiting area until it is controlled.

It is our goal to provide quality care for all our patients. Please do your part by respecting this policy.

Thank you.
